Respected Sir,

I beg to express my sense of gratitude to the Government for having enabled me to build a house in the Basavangudi Extension of the Bangalore city, by lending me an ~~amount~~ amount equal to my salary for one year. It was in April last that I paid the last instalment towards the liquidation of this loan. Though I received so much help from the Government, yet I have not been able to complete the structure as per my original plan, for want of funds. The front portion is yet to be built; the built portion (41 ft. x 42 ft.) in which I am now living, requires to be much improved to make it decent and comfortable. The floor is to be covered with tiles; the roof improved so as to keep out more effectively the rain and the cold; and some of the walls are to be plastered over with chunam; besides all this, there is much of sundry work to be done.

As I am quite unable to raise funds for this purpose, I beg to request that you would kindly

recommend me to the Government for loan of Rs. 840/- equal in amount to the present loan (viz. Rs. 140/-) for six months that I may be able to make some urgent improvements and additions to my present incomplete building

I beg to remain

Yours
